

THE 2019 INTERNATIONAL LABORATORY FREEZER CHALLENGE

ABOUT THE 2019 FREEZER CHALLENGE

The International Institute for Sustainable Laboratories (I²SL) and My Green Lab have partnered again for the International Laboratory Freezer Challenge. Designed to optimize cold storage management practices in laboratories, the Freezer Challenge harnesses a spirit of competition and a scoresheet to target five areas of freezer management.

FREEZER CHALLENGE PARTICIPATION

Laboratories of all sectors are invited to participate in the Freezer Challenge! Organize your team, select a creative team name, and start planning how you'll complete the Freezer Challenge together!

WHAT SHOULD I KNOW BEFORE I SIGN UP?

WHO: All labs

REGISTRATION: At www.freezerchallenge.org

CHALLENGE: Now – May 1 (labs compete at their own pace)

COST: NONE! But you must register online

AWARDS: Announced at the I²SL Conference, October 2019
