

I²SL Chapter Resources

Supporting the I²SL Annual Conference

Dear I²SL Chapter Officers,

As planning for the [2017 I²SL Annual Conference](#) continues, I²SL chapters play a vital role in promoting the conference and making the event successful. Below are a few ways you can encourage your members to be actively involved in supporting the Annual Conference:

- **Answer the Call:** Share your new strategies and technologies by submitting an abstract during the [2017 Call for Presenters](#)! Encourage personal and professional contacts, students, and young professionals in your network to [submit an abstract](#) and be involved in the sustainable, high-technology facility community. Deadline for submissions is March 24th for I²SL Members.
- **Exhibit:** With over 500 attendees at each of the most recent Annual Conferences, exhibiting during the [Technology and Services Fair](#) is a prime opportunity to promote your organization and products to the niche audience of high-tech facility architects, engineers, owners, managers, and users. Space is filling up quickly, so find more information and claim your space by visiting the [2017 Technology and Services Fair page](#).
- **Sponsor:** Maximize your organization's exposure at the conference and in the I²SL Community! [Sponsorship opportunities](#) start at just \$500 and can be customized to your organization's budget and needs.
- **Promote:** Add the 2017 I²SL Annual Conference [promotional image](#) to your chapter's website or your email signature. Download the [PowerPoint slide image](#) and add it to a presentation at your chapter's next event.

Thank you for your continued support of I²SL! We look forward to your chapter's participation at the conference!

Crystal Jones and Erin Pittorino
I²SL Chapter Coordinators

Chapter Treasurer Training Follow-Up

The [I²SL Chapter Treasurer Training](#) is now available for viewing. Please review the presentation and let us know if you have any questions or suggestions for future

trainings.

Chapter Anniversaries This Month

Congratulations to the [Arizona Chapter](#) on their two-year anniversary!
