

I2SL Texas Chapter Founding Sponsorship Levels

The Texas Chapter of I2SL is asking for our FOUNDING SPONSORS to support our new chapter and be recognized as chapter supporters. We are planning quarterly meetings composed of technical presentations, laboratory tours, webinars, an Education Day and Holiday Party.

We seek to be a local resource and community for laboratories and other high-tech facilities comprised of building users, designers, builders and suppliers. Your support would be instrumental in starting this exciting group. Founding sponsorships allow us to build our organization and offer upcoming events to existing and potential members at little or no cost. Founding Sponsorships will be available starting May 4, 2022, through December 31, 2022, for calendar years 2022 and 2023. After December 31, 2022, Founding Sponsorships will be closed and not offered in the future. Starting January 1, 2024, existing Founding Sponsorships will need to be renewed on a yearly basis.
